## Message from the GM

Happy October!

As the days become shorter and shorter and the temperature cooler and cooler, we are in the process of putting our parks and greenspaces to rest for the winter. Our summer mow crew of eight has become a crew of three and will be ending the mowing season in the next couple of weeks. And, come the middle of the month, we will turn off the water in our parks for the winter. Even with the temperatures beginning to cool and summer activities slowing down, we are in high gear at the Agency. There are multiple projects that we were not able to finish - or even start - in 2021 that we are working hard to plan so we can get an early start next year. Top of the list are projects that have gone

undone for far too long like Oscarson Park, the Millpond Bridge, the Splash Pad, and Amphitheater. Changes in staff, reorganization of key processes and procedures have slowed work on these projects, but they are not forgotten, and I intend to have all of these up and going as soon as weather permits in 2022. Until then, I hope you can enjoy a stroll through one of our parks (the fall colors are amazing around the Clubhouse and Lake) or play a round of golf or pickleball. Most of all, I hope you all enjoy a happy and safe October.

Sincerely,  
Veronica Hobby  
General Manager

## Gazebo and the Pavilions

As the weather is getting cooler, there is still time to reserve the gazebo or one of the pavilions.

For reservations to the Lake Gazebo or the Porter Way Pavilion, call 435-882-6188.

For reservations to the Golf Course pavilion, call 435-882-4162.

## Stansbury Golf Shop News

What a September it has been! There have been 5 League Championships with a lot of good golf played and a whole lot of fun! Here is a breakdown of the Leagues along with our champions:

### **SUPER SENIORS**

Shane Stoddard with a 75 as the Overall Champion.  
Bob Vargas with a Net 68.

### **SENIOR CHAMPS**

Steve Johnson with a GREAT 69 as the Overall Champion.

Rod Thompson with a Net 68.

### **TVML CHAMPS**

Bryan Horrocks shot 74 as the Overall Champion.

Shaun Sampson with a 70 Net.

### **COUPLES CHAMPIONSHIP**

Mike and Nan Mendenhall with a 31 (5 Under) Overall Champions.

Dane Schofield & Haley Johnson with a Net 27.

### **TUESDAY-THURSDAY CHAMPS**

#### **Tuesday**

Kaylee Gillette, our new Club Champion, shot a 79 to win the Overall Champion.

Heather Kincaid shot 70 for the Net Crown.

#### **Thursday**

#### **Championship Flight**

Douglas Wilson with an awesome 67 Overall and His dad, Jeff Wilson, and Tom Paskvan tied with Net 68's.  
Way to keep it in the family!

#### **1st Flight**

We would like to congratulate our very own Cody Castle with a 78 for the victory along with his very first Hole-In-One on #16. What an awesome shot!

Lyle Ferguson took home Net with a 69.

There is still a lot of golf to be played so keep coming out. The weather is perfect! We would, however, like to thank all of you who played all season long! We hope you had a lot of fun and good company. Thank you, and we will see you at the Club!

## Stansbury Park Library

Due to the increase in cases and danger to our children from Covid, we are temporarily suspending Storytimes. We are offering crafts for you to pick up when you visit the library. We will be offering a new craft on the 1st and 3rd weeks of the month.

We are showing that many of our books were checked out before Covid. Please check your home libraries to see if you have any of our books. If you have books that belong to the library, please return them. We are open every Monday, Tuesday, and Wednesday from 12 to 5 pm. If we are closed, you can return books to our book drop by our outside entrance. If you have questions about overdue, please contact the library.

### Upcoming Events

- Regular Board Meeting on Oct 13 at 7:00 pm

## Service Agency Directory

Main Phone Number: 435 882-6188

Event Coordinator: 435 249-0456

Golf Course: 435 882-4162

Cemetery: 435 840-2462

After hours emergency 801-380-0388

## Gardening Tips

Now is the time of year to start putting flower beds, lawns, and trees to bed for the season.

Cut out the dead material from your annuals and perennials to discourage mold and mildew from forming. Leave enough stubble on the perennials to identify them in the Spring.

Use a winterizer on the lawn to help repair stress damage and build new roots. And finally, take advantage of the skeletal shape of your trees to do corrective pruning.

It is also a great time to amend the soil and make changes in the beds while everything is dormant.

Don't forget to plant your bulbs before the ground freezes.

Darin Jacobs  
Gardener

## Non-motorized Recreation Vehicle on the Lake

If you are planning to use your boat/kayak on the lake, please make sure to come by the Agency office first for a boat license. The cost to register your boat is \$5.

## Stansbury Cemetery - Day of Service Project on September 11, 2021

Our community project involved:

- clearing the weeds from the edge of the cemetery to the curb at the Old Mill parking lot.
- Excavating and bedding for mow strip, approximately 215 ft.
- Forming a 12" mow strip under the fence.
- Laying down weed stop fabric.
- Spreading cobble rock, cleaning headstones, and weeding around the flowers, and general maintenance.

We would not have been able to accomplish this project without the help of many volunteers, including Charlie Haddon, Darin Jacobs, James Cavey, John Wright, Murray Kendall, John Poulson, Mark Austin, Brett Palmer, Veronica Hobby, and more than 100 volunteers on Saturday.

Thanks to:

- Christensen and Griffith for the forms for the concrete.
- Steadman's for the use of trailers to secure the materials.
- Home Depot for the Rebars and grading stakes.
- Alta View Concrete for the concrete for the Mow Strip.
- Adobe Rock for the bedding rocks
- North Tooele Fire District for providing breakfast.
- Stansbury Park Improvement District for the Grading.
- Kilgore Companies for tons of gravel
- Broken Arrow for rock hauling, weed barrier, and skid-steer
- Stansbury Service Agency: Employees and staff.

The cemetery was mainly created through volunteer effort, and the tradition continued with the volunteer effort. Thank you!
