## Food Truck Application

Thank you for your interest in coming to our Event and being part of the Stansbury Park Community! We have space for some of the best trucks at the time. However, there are often trucks that have mechanical or other problems that need to be canceled, so we have a waiting list of trucks. If you want to be on this list, please email [foodtrucks@stansburypark.org](mailto:foodtrucks@stansburypark.org) with your contact information and availability.
