

# AUGUST 2024 NEWSLETTER

## GM Corner by Jim Hanzelka

**SAFETY FIRST:** We have seen a number of accidents primarily involving youth on golf carts and the lake. Everyone is reminded to be safe this summer and obey the rules of the road and water. We are looking at some outside sources for help, but until then, please be courteous to others who use the roads and other facilities.

**BE MINDFUL OF OTHERS:** As more people come to Stansbury to enjoy the amenities, we have seen increasing incidents of conflict and bad behavior. A lot of this may be from those outside the community, but some are coming from Stansbury residents. As with the roads and Lake, please be aware of others and respect their property and the Agency's.

We will not see the results of the tax increase until December, and as a result, we have been extremely shorthanded this summer. However, with the help of the board members and volunteers from the community, we have really accomplished a lot. We are looking at next year's budget and putting plans in place to better utilize the funds we will have to minimize some of our issues this year.

## Upcoming Events:

## JustServe.org Stansbury Park Community Cares

Please join our ongoing initiative, taking place on the island, opposite 87 Lakeview Drive. We are seeking volunteers to help with tasks such as mowing grass, applying weed and feed as needed, trimming trees when necessary, collecting garbage, and clearing the lake fingertip area. Your support will make a meaningful difference in our community.

## Second Annual Scholarship Pageant

Dear Community Members,

We are thrilled to announce the Second Annual Scholarship Pageant, which will be held this year on Saturday, August 3rd, at 4:00 PM! Mark your calendars and join us for a spectacular evening at Stansbury High School!

This year's pageant promises to be as exciting and inspiring as last year's event. We have an incredible lineup of talented contestants who are eager to showcase their skills, share their passions, and vie for scholarships that will help them pursue their educational dreams.

We invite everyone to come out and show your support for the contestants. Your presence means a lot and helps foster a sense of community and pride in our local talent.

Share this event with friends, family, and neighbors. The more, the merrier!

If you're interested in helping out with this event in the future, we would love to have you on board. Please contact us at [sieta.jacobsmeier@gmail.com](mailto:sieta.jacobsmeier@gmail.com) or [rtorzillo5@gmail.com](mailto:rtorzillo5@gmail.com) for more information on volunteer opportunities.

We look forward to seeing you there and celebrating the amazing young talent in our community. Let's come together to support their dreams and make this event a memorable success! ~ Sieta & Rachel

## Attention Residents

Please be advised that the Millpond Bridge will have limited access for the remainder of the year due to concerns about its structural integrity. At the end of the year, it will be closed until necessary repairs can be made. Thank you for your understanding and cooperation.

## Welcome to the Board!

We would like to warmly welcome John Duval to the Stansbury Service Agency Board of Directors and the Stansbury Greenbelt District Area Board of Trustees! With a wealth of experience, he brings a fresh perspective and valuable insights that will undoubtedly enrich our community. John is an exceptional addition, and we look forward to his contributions to the finance and policy committees. We are excited about the opportunities that lie ahead and confident that John will significantly help us achieve our plans for our beautiful community.

## Stansburians Servicing Sprinklers!

A heartfelt thank you! We are deeply grateful to the residents who dedicated their early Saturday mornings in July to volunteering to repair our irrigation system. Your hard work and commitment have significantly contributed to beautifying our community, and we deeply appreciate your efforts. Thank you once again for your valuable contribution!

## Resident Spotlights

Thank you, Greg & Meg Payeur, for your efforts with the Christmas marketplace. Your help has been truly appreciated!

Thank you, Laura Jones, for your invaluable assistance with the 2024 Spring Lake Clean-Up.

## An Update From Your Library

The library has been bustling this summer. We held our summer reading kickoff event on June 4, with 65 patrons participating in activities connected with our theme for 2024: “Adventure Begins at Your Library!” Kids learned about birdwatching, cracked geodes, built their own compasses, and made adventure journals. In the month of June, 483 patrons visited the Stansbury Library, which has been the best kind of adventure for our volunteers. We issued 21 new library cards in May and 25 in June. Our summer reading program will conclude on July 23 at 1:00 pm with an in-person Olympic games activity. Don’t forget to bring in your completed summer reading chart through the end of August to claim a free book.

## Adopt-A-Greenbelt Program

This is an opportunity for neighborhood groups, regular park users, and nearby residents to help maintain neighborhood greenspaces. <https://stansburypark.org/get-involved/>

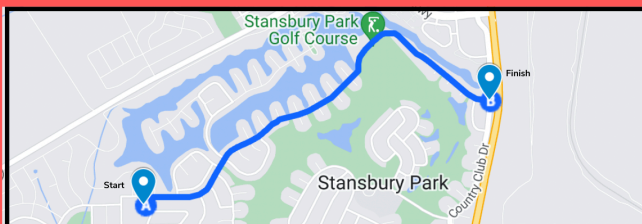

## Golf Greens Corner by Mac Blevins

Summer is here and it’s a hot one. We are still doing a lot of manual watering to keep things alive. Most of the surfaces are doing just fine through the heat, but there are always spots that require more attention. With staffing levels low and the heat up we are just trying to maintain what we have. When things cool down, we are still planning on doing some wiring work on some holes to get them automated. Not really a lot to report on here, just surviving.

## STANSBURY DAYS

### PARADEROUTE

AUGUST 19TH - 10 AM

# Stansbury Days 2024

August 8 - 10th

Attention Stansbury Park residents!

We are only a few weeks away from the opportunity to attend the annual Stansbury Days celebration on August 8th, 9th, and 10th. This is the largest community event of the year and something you don't want to miss. There are a variety of activities for both children and adults to enjoy.

Starting on Thursday evening at Porter Way Park, our youth entrepreneurs will be displaying and selling their unique and fun creations. Food trucks will also be available to tempt your appetites and satisfy your hunger. On Friday evening, come and cheer on the participants in the kids' triathlon at 5:00PM and then grab a chair or a blanket and your family to watch the outdoor movie Trolls at the Golf Club pavilion when it begins to get dark. Snacks and drinks will be available for purchase.

Wake up early Saturday morning for the Stansbury Days Triathlon, which has been "running" each year since 2007. This will start at 7:00AM and will set the tone for the rest of the day! Don't forget the parade, starting at 10:30AM. Go to [www.stansburypark.org](http://www.stansburypark.org) for the parade route. The rest of Saturday is packed with events that will include a car show, kids' games, a corn hole tournament, Bingo, vendors, and the traditional cardboard boat and paddleboard races, just to name a few. There will also be entertainment, dancing, and more food trucks! The evening will end with the lighted boat parade and fireworks starting at 8:30 PM. We want to give a special shoutout to the many volunteers and Stansbury Service agency staff who have put in a tremendous amount of work and dedicated many hours to making this year's events one of the best yet!

See you in August!
