4. Public Comments
  - a. Chad Saunders (484 Country Club) – Opposed to maximum tax increase. Wants strong and visible proof of performance from the agency and more transparency.
  - b. Heather Hester (479 Country Club) feels we need a community liaison or committee to explain things. We are borrowing when we are already in a deficit, which will worsen the deficit.
  - c. Robert Mitchell (256 Spinnaker) – More problems on the greenspace with the anglers. The sheriff does not come when called. He would like the agency to provide security. Fishing issues - fishing licenses need to be implemented and enforced. Vandalism. Physical disagreements.

Brett Palmer mentioned that the residents' comments will be considered. It would be helpful if SSA formed a committee of 10-12 people to discuss taxation.

Cassandra Arnell—She feels that the residents should contact the county to request more funding for law enforcement in the area.
  - d. David Cluff (5672 Lighthouse): He wants to know why everything is dead and where the money is going. The agency should make the community look good. The Golf course does not make money.

Brett Palmer clarified that tax increase funds will come to the agency in December 2024. Due to budget constraints in 2023, the agency had a reduction in force of 12+ employees in August. Employee shortages have hurt us this year. We cannot retain staff due to low wages. We are trying to fix it by hiring new staff at a higher rate and using subcontractors to repair the irrigation systems.

- a. Presentation of notification of Possible Tax Increase to maintain taxes at the same rate in 2025 by James Hanzelka, with slides
- b. Public Comment
  - i. Lisa Duval (201 Lakeview) asked if we need all the playgrounds. Instead, would we just have one? You will have to pay taxes if you want services.  

James Hanzelka said one playground is great for those who live there but not for those who are too far away. SSA considered removing some small ones, but that did not solve the issue. We need strategically located parks.
  - ii. Sara Snow (41 Lakeview) asked why people are not here if they care so much. She feels that people should Stop hiding behind walls and social media. They should make informed decisions and recognize what the board can and cannot do. They should always consider the source. Safety issues must be taken care of now, or they will cost more later.

- iii. Chad Saunders (484 Country Club Drive)—No one says not to increase taxes. He says to vote yes on this issue. He complained about the high pay rate of employees.

Brett Palmer clarified/corrected Mr. Saunders's comment that some residents say not to increase taxes.

- iv. Heather Lester (797 County Club Drive) would like a community opinion committee.
  - v. Mary Wilson (185 Lakeview) encourages residents to help and volunteer. The previous board dropped the ball, and this board/staff is digging the community out. We have good people now, so start helping instead of complaining. She promoted the newsletter and the volunteer information on the website.
- c. Board Review and Possible Approval of Notification of Possible Tax Increase to maintain taxes at the same rate in 2025.

Motion 2024.07.0 A to approve Notification of Possible Tax Increase to maintain taxes at the same rate in 2025 made by Cassandra Arnell and seconded by Kyle Shields.

### **Board Member Reports and Discussion Items**

a. Cassandra Arnell:

- She shared that there are invasive plant species on the lake. Some residents would like to know how to get the spray that was used previously.  
James Hanzelka will check into this.
- Cassandra also mentioned that the policy committee would like to invite John Duval to the finance and policy committee.

Brett Palmer invited John Duval to join the committees. John Duval accepted.

b. John Wright:

- He asked for reports about Stansbury days and the pageant.
  1. Joyce McMullin reported that the pageant is separate from Stansbury days, but they will be in the parade. She is thrilled with the progress made during Stansbury's days so far. She shared that Karen and Randall Harris brought in great sponsors. She is staying within budget but needs volunteers. Youth groups are taking care of the cleanup, and we need volunteers for set up.
  2. Cassandra Arnell—The pageant has contestants for next year and is ready to go. Last year's royalty would like to report to the board on Monday, July 22nd, 2024, at 7 p.m.

- He reported that the policy committee is working on rules for using facilities for youth fundraisers.
  - The bridge and deck repair will be looked at this week and hopefully start shortly after.
  - He reported that the firm for Millpond Park has been selected. The Committee is working on electrical issues/approval.
  - He reported vandalism of bathrooms and the golf course.
- c. Kyle Shields:
- He requested volunteers to help with irrigation. Meet here on Saturday at 7:30 am.
  - He thanked the residents for attending tonight's meeting.

- e. Brett Palmer:
- He presented future agenda items to be thinking about:
    1. September 7 National Day of Service, we should prepare a list of projects.
    2. Concerns about the lake and people trespassing - is this something we want to assign a committee to? We need the Sheriff's or DWR's input since we cannot enforce laws. He assigned John Duval to work on this.
    3. The community wants to participate in tax/budget discussions. How should we direct that?

# 2025 Capital Improvements

# 2025 Draft Budget

---

# Approval of Notice to State for Potential Tax Increase to Return to .0014% Tax Rate

---

- 2024 Tax Rate Increase will bring the Agency back to funding level envisioned at its inception
- We expect that that rate will be reduced by:
  - Increased housing in Stansbury Park
  - Increased house values.
- State requires notification that we may increase taxes
  - Final decrement from the State not currently available.
  - Initial Budget for 2025 Indicates that we will have less available funds to do critical repairs because of Inflation
- Board needs to make a decision on Potential for Tax rate increase to the rate for 2024

- A protocol is being put in place between Stansbury Service Agency and Stansbury Park Improvement District on how to keep the lake levels better.

#### **County Grants**

- The Service Agency has received \$25,000.00 for the Shoreline Project and \$4,000.00 for the library for the summer reading program. There are still two grants pending – County Tourism for corporate events at the golf course which amount to \$10,000.00-\$15,000.00. Department of Transportation grant for the bridge replacement and trails is for \$2,000,000.00.

- Lantis Fireworks Contract for Stansbury days has been signed. It will be the same cost as previous years but more fireworks.
- Allied is a company that we will be paying for the use of a new printer. We have signed a contract with them.

- Verizon contract has been resigned at a lower cost and additional hotspots have been added.

#### **Odds and Ends**

- James Hanzelka attended the County trails meeting with the County. The County would like to take some trails off their map. A biking trail through Stansbury concerns them about liability.
- We are removing the dumpster located at Porter Way Park because of illegal dumping and we will be moving it to the Service Agency shop by Sagers Park -John Wright asked if we should leave it there in the summer.  
-James Hanzelka responded that we would put extra cans to support extra trash.
- Mac Blevins has been working through wiring issues on the golf course and surrounding areas.

#### **Golf Course 2023/2024 Comparison**

- Overall, the Golf Course is ahead financially compared to 2023.

#### **Financials**

- Total Revenue because its is Tax Heavy is lagging behind because we won't receive taxes until the end of the year.

#### **Expenses**

- Project management is heavy because we have been doing a lot of work on projects related to impact fees. The sums are coming out of impact fees. Our burn rate has been flat.

#### **5. Discussion Items**

- a. DWR Presentation on the Lake by Chris from DWR
- b. Golf Course Update presented by Doug Brown Golf Course Business Manager
  - i. Doug Brown has been at the Golf Course for 2 and half months.
    1. Staffing updates – Tom Costello retired about a month ago. The Golf Course staff is working on keeping a lot of traditions but also enacting changes that need to be done.
    2. 6 Leagues – 5 leagues have started. As they are going the Golf Course is trying to make changes to help make things more efficient.
    3. More community involvement and becoming more inviting the public.
      - a. Movie at the golf course for Youth on May 31<sup>st</sup>.
      - b. Try to have more activities and tournaments in the future.
    4. Additional Notes
      - a. The Golf Course is still looking for an Assistant Pro

#### **5. Questions**

- Maria Sweeten asked if participation at the Golf Course has gone down this year to last year.
- Doug Brown responded it's the same.

- John Wright asked if Fore up has been beneficial for the Golf Course.
  - Doug Brown responded that they are still digging into Fore up and using it more efficiently.
  - John Wright asked that we use the advertising tools more on Fore up.
  - Doug Responded that that is the goal.
- c. **Review interlocal agreement between Stansbury Service Agency & Stansbury Park Improvement District and Contract of Sale of Water Rights**
- i. Brett Palmer, who works as the manager at Stansbury Park Improvement District, was contacted about water rights for sale. He investigated the bankruptcy and noticed that Teracore gave water rights to the Stansbury Recreation Service area, Stansbury Greenbelt Service Area, and the Stansbury Service Agency. After looking at all the shares it was determined that 20 water rights could be sold. If Stansbury Park is developed and all the water rights have not been used, the remaining water rights will be deeded over to the state. Brent Rose prepared an interlocal agreement between SSA and SPID. The interlocal agreement allows SPID to take care of the transaction.
- d. **Pool Repair Costs – Decision to open.**
- i. To repair the pool, it is going to cost \$27,286.25. \$4,000.00 to grind and fill the deck. \$800.00 dollars to fill the bottom of the pool and clean off rust marks. \$16,496.25 to repair electrical in the pool support buildings. The Diving board replacement will cost \$6,000.00. The electrical panel has wiring that is not in good condition. For example, Outlets are overloaded, and the electrical panel needs replacement. The electrical problems are more of a safety issue. After discussion the board is tentatively moving forward with fixing electrical but not doing the diving board.
- e. **Lighting in Tunnel**
- i. All the lighting has been knocked out in the tunnel. The tunnel is dark night and day. John Wright had an electrical company bid to put lights in the tunnel. \$5,310.00 is what their bid came out to being. The old lights cannot be replaced as they are no longer available. This is something that is not in the budget.
- f. **Triathlon Contract and Gaming contract will be put in place to make sure that the Service Agency is covered for events.**
- g. **Pageant Proposal – This will be the second year of Stansbury Pageant**
- h. **Review of Stansbury Service Agency Administrative Policy Manual Chapter 2**
- i. **Stansbury Service Agency Adopt a Greenbelt project is underway.**

- a. John Wright – Master plan items done around the millpond parking lot restroom and hill. Blu Design helps with those items. He spoke with Blu Design today and will meet with them again tomorrow. A task order bid or a formal bid. He is making progress on Porter Way Park.
- b. Kyle Shields – Sprinkler system and water flow in the parks are going to need to have nozzles replaced. Ponderosa is the first park that he is working on currently.   - Solomon Park - the weeds are growing fast in the gravel. He is wondering about volunteers taking care of that.
  - Porter Way Park Ball Diamond – the weather has affected his ability to work on it.
  - The man door at the pool that goes to the concession needs a better lock.
- **Kyle Schields**

    - Lake mowing – Jim told her that we are waiting on parts.
    - Lake mowers – status on info about the mowers.
      - James Hanzelka answered that the lead time on ordering a new lake mower is about 2-3 months. The agency is looking at a smaller mower for better access to the finders in the lake.
    - Amphitheater – status on the parking lot. Jim answered that we are working on the County Permit requirement.
    - Status from the home association about giving us the land on the other side of Millpond Creek. Jim Hanzelka answered that the HOA no longer seems to be interested in donating the parcel of land. He will reach out to them again about it.

#### (b) Bridge—A main support beam on the bridge has almost completely failed. He recommends we close part of the bridge to make it through the year without major issues and extend its life expectancy.

- i. Board members had a few suggestions and questions

**5. Discussion Items**

- 2023 Stansbury Pageant Royalty Report
  - i. Cassandra Arnell met with the program directors. It's all in order. The royalty of 2023 was supposed to do a report about what they have been doing, but they are on vacation. They will come another day, but they ask that it's not a Wednesday. Suggestions from the board were well received by the program directors.
- Diamond Rental Presentation
  - i. See reference slide.
  - ii. James Hanzelka felt the offer was intriguing because it would give us more control. It would bring in some revenue, and the primary effort would be to control the lot. James asked the board if he should pursue it.
    - Public Comment:
      - Robert Mitchell asked if this would cause people to park in the neighborhood on the streets.
      - Tom Wilson (185 Lakeview) – how long would the initial trial contract have to be? (Answer unknown)

- The board had a few questions about it.
  - Pickleball Court Reservation Use
    - i. James Hanzelker stated that reservations are currently allowed for two courts. Do we want to allow reservation of all six?
    - ii. The board had some recommendations on it. James Hanzelka said new rules will need to be set through the police committee.
    - iii. Public Comment:
      - Brittany Fielding (6416 Appaloosa) – seconded the idea of setting reservation limits.
  - Proposal by Wildhorse Ranch to Trade Land for Water Rights
    - i. Area: northeast corner Porter Way Park by pavilion. They want to give a couple acres to SSA.
    - ii. The board had some reservations about it.
  - Discussion of Prioritization of Water Rights Money (accidentally discussed out of order of agenda and slides).
    - i. Refer to slide – green highlight indicates completed, orange is safety, and yellow is urgent.
    - ii. Doors that use remove access would make rentals requiring keys easier instead of giving out physical keys.
  - Discussion of SR 36 Lane Expansion Project
    - i. UDOT is expanding lane coming out of Village Parkway towards Tooele. The road is expanding towards Stansbury Park, on the west side. They're only replacing the existing sound wall. It was recommended we send a letter to UDOT as they did not do due diligence and did not collect enough signatures.
    - ii. James Hanzelka will draft a letter for Brett Palmer to sign.
  - Sale of Mitchell Property
    - i. Slide shows borders and valuation.
    - ii. James Hanzelka recommends the land be sold for \$1000
    - iii. Cassandra Arnell would like to do a comparison to similar sales.
6. Board Member Reports & Requests
- a. Ammon Jacobsmeyer – Stated that the government cannot post on social media. However, we, as citizens, need to share information on social media.
  - b. Cassandra Arnell – would like us to figure out how to video record meetings for the public.
  - c. Kyle Shields—Many sprinklers are broken, and it's going to take a while to fix them. He is going on vacation and will not be at the next meeting. This also means he will not be

here to turn the main on/off. He thinks the pool is being used well and that repairing it was the right call.

d. John Wright –

- i. Proposed that an arborist be put on staff as an advisor for new and existing trees.
- ii. He is concerned about kids driving golf carts and other motorized vehicles in the community, especially after dark when there are no lights. Should this be brought up and discussed with the public and sheriff?
  - Public Comment:  
Brenda Faddis (4 Lakeview) – said the sheriff’s department put out guidelines last summer, but they have not been enforced.

e. Brent Palmer –

- i. Reported that it has been difficult this year to maintain the facilities, largely due to the small staff. He expressed that, hopefully, the budget increase will help to hire and retain employees, as we have been losing employees to higher-paying jobs.
- ii. The lack of maintenance over the years is showing. We need to fix it with community and volunteer help. We can borrow from impact fees as long as we pay them back by the end of the year. The community needs to step up and help.
- iii. He thanked those attending.

7. Public Comment

- o David McKeeth (64 Lakeview) – He would like to do a concert on the lake over the July 13<sup>th</sup> weekend for 4 to 6 hours, free to the public. He thinks that if we did this type of activity regularly, we could bring in a lot of revenue. He would like to help bring in money to the community.
  - i. James Hanzelka will pass on a proposal to the board.
  - ii.

8. Motion to close public meeting to go into closed session to discuss litigation.

  - i. Brett Palmer, who works as the manager at Stansbury Park Improvement District, was contacted about water rights for sale. He investigated the bankruptcy and noticed that Teracore gave water rights to the Stansbury Recreation Service area, Stansbury Greenbelt Service Area, and the Stansbury Service Agency. The Diving board replacement will cost \$6,000.00. The electrical panel has wiring that is not in good condition. For example, Outlets are overloaded, and the electrical panel needs replacement. The electrical problems are more of a safety issue. After discussion the board is tentatively moving forward with fixing electrical but not doing the diving board.
- e. **Lighting in Tunnel**
  - i. All the lighting has been knocked out in the tunnel. The tunnel is dark night and day. 5. Discussion Items

- o 2023 Stansbury Pageant Royalty Report
  - i. Cassandra Arnell met with the program directors. It's all in order. The royalty of 2023 was supposed to do a report about what they have been doing, but they are on vacation. They will come another day, but they ask that it's not a Wednesday. Suggestions from the board were well received by the program directors.
- o Diamond Rental Presentation
  - i. See reference slide.
  - ii. James Hanzelka felt the offer was intriguing because it would give us more control. It would bring in some revenue, and the primary effort would be to control the lot. James asked the board if he should pursue it.
    - Public Comment:
      - o Robert Mitchell asked if this would cause people to park in the neighborhood on the streets.
      - o Tom Wilson (185 Lakeview) – how long would the initial trial contract have to be? (Answer unknown)

- The board had a few questions about it.
  - Pickleball Court Reservation Use
    - i. James Hanzelker stated that reservations are currently allowed for two courts. Do we want to allow reservation of all six?
    - ii. The board had some recommendations on it. James Hanzelka said new rules will need to be set through the police committee.
    - iii. Public Comment:
      - Brittany Fielding (6416 Appaloosa) – seconded the idea of setting reservation limits.
  - Proposal by Wildhorse Ranch to Trade Land for Water Rights
    - i. Area: northeast corner Porter Way Park by pavilion. They want to give a couple acres to SSA.
    - ii. The board had some reservations about it.
  - Discussion of Prioritization of Water Rights Money (accidentally discussed out of order of agenda and slides).
    - i. Refer to slide – green highlight indicates completed, orange is safety, and yellow is urgent.
    - ii. Doors that use remove access would make rentals requiring keys easier instead of giving out physical keys.
  - Discussion of SR 36 Lane Expansion Project
    - i. UDOT is expanding lane coming out of Village Parkway towards Tooele. The road is expanding towards Stansbury Park, on the west side. They're only replacing the existing sound wall. It was recommended we send a letter to UDOT as they did not do due diligence and did not collect enough signatures.
    - ii. James Hanzelka will draft a letter for Brett Palmer to sign.
  - Sale of Mitchell Property
    - i. Slide shows borders and valuation.
    - ii. James Hanzelka recommends the land be sold for \$1000
    - iii. Cassandra Arnell would like to do a comparison to similar sales.
6. Board Member Reports & Requests
- a. Ammon Jacobsmeyer – Stated that the government cannot post on social media. However, we, as citizens, need to share information on social media.
  - b. Cassandra Arnell – would like us to figure out how to video record meetings for the public.
  - c. Kyle Shields—Many sprinklers are broken, and it's going to take a while to fix them. He is going on vacation and will not be at the next meeting. This also means he will not be

here to turn the main on/off. He thinks the pool is being used well and that repairing it was the right call.

d. John Wright –

- i. Proposed that an arborist be put on staff as an advisor for new and existing trees.
- ii. He is concerned about kids driving golf carts and other motorized vehicles in the community, especially after dark when there are no lights. Should this be brought up and discussed with the public and sheriff?
  - Public Comment:  
Brenda Faddis (4 Lakeview) – said the sheriff's department put out guidelines last summer, but they have not been enforced.

e. Brent Palmer –

- i. Reported that it has been difficult this year to maintain the facilities, largely due to the small staff. He expressed that, hopefully, the budget increase will help to hire and retain employees, as we have been losing employees to higher-paying jobs.
- ii. The lack of maintenance over the years is showing. We need to fix it with community and volunteer help. We can borrow from impact fees as long as we pay them back by the end of the year. The community needs to step up and help.
- iii. He thanked those attending.

7. Public Comment

- o David McKeeth (64 Lakeview) – He would like to do a concert on the lake over the July 13<sup>th</sup> weekend for 4 to 6 hours, free to the public. He thinks that if we did this type of activity regularly, we could bring in a lot of revenue. He would like to help bring in money to the community.
