

# JANUARY 2025 NEWSLETTER

## GM Corner

Winter is upon us, so it's a good time to remind everyone of the wintertime rules. First, no on-street overnight parking exists between 2 a.m. and 5 a.m., per Tooele County Ordinance, and the Sheriff's Department will enforce the rule. Secondly, residents are responsible for snow removal from sidewalks adjacent to their property. This includes areas separated from the owner's property by a fence.

Another issue is the winter outdoor activities. Please do not drive powered snow equipment on the golf course. We would prefer not to have skiers on the course, but if you use it, stay off the greens and the fairways. Using either can impact the ground cover and increase the costs of caring for the facilities.

Finally, we have many water areas around the park. It generally does not get cold enough or long enough to produce surface ice strong enough to support a person's weight, even children. In fact, last year, most of the ponds and the lake did not freeze over. Please stay off the ice and help your children understand that it is dangerous to walk on.

I hope everyone has a wonderful holiday and a good New Year. Please be safe so we can enjoy next summer.

### Stansbury Days 2025

August 14th, 15th, and 16th.

We're looking for volunteers to lead several exciting events: the vendor fair, paddle board race, cardboard boat race, and an overall event logistics lead. Without volunteers, some of these events may have to be cancelled. If you're interested in volunteering or have questions, please reach out to us at [serviceagency@stansburypark.org](mailto:serviceagency@stansburypark.org). Thank you again for your support, and we look forward to seeing you at our future events!

# We Would Like To Express Our Gratitude

A big thank you to all the residents who have been raking leaves to help keep our community looking beautiful for the holiday season!

## JustServe.org Stansbury Park Community Cares, Project #14

Please join our ongoing initiative, taking place on the island, opposite 87 Lakeview Drive. We are seeking volunteers to help with tasks such as mowing grass, applying weed and feed as needed, trimming trees when necessary, collecting garbage, and clearing the lake finger tip area. Your support will make a meaningful difference in our community.

## A Look Back On 2024

**Thank You For A Great Year!**
